Ontario Language Curriculum Composition (Writing) – Grade 8

Prompt: On the way to a weekend tournament, A school bus breaks down on a remote road. What happens next?

Character Introduction	
Setting	
Beginning	
Rising Action	
Climax	
Falling Action	
Ending	

Instruction: Drag each tile into the correct drop zone to put the story in order.

- Friday evening on Highway 17, surrounded by trees and marsh; stormy weather; a farmhouse across a flooded ditch.
- While crossing, the goalie slips and drops the gear bag; Maya grabs his wrist and helps him up.
- The bus stalls with no signal as a storm hits and a tire goes flat; spotting a farmhouse light, they rope across the flooded ditch.
- The team arrives late, plays hard, and ties 1-1—showing that sticking together matters most.
- Coach Lee, Maya, the goalie, and their school team.
- The team rides the bus to a weekend tournament, hoping to win two games and make provincials.
- They reach the farmhouse soaked; the farmer tows the bus and lets them dry uniforms by the stove.

Qualities

Instruction: In the boxes, list 10-character qualities for each (personality traits and choices—not powers), then write the hero's and villain's names at the bottom.

Hero	Villain

Understanding Text Forms

Defining Text Forms

Text forms are the different structures and styles used in writing. Each form serves a unique purpose and follows specific conventions. Understanding these forms is essential for effective communication and comprehension.

Common Text Forms

Let's explore some key text forms:

- **Narrative:** Tells a story with characters, a setting, and a plot. Examples include novels and short stories.
- **Expository:** Provides information or explanations about a topic, like in textbooks.
- **Descriptive:** Uses vivid descriptions to create a picture in the reader's mind.
- **Persuasive:** Attempts to convince the reader of a particular point of view.
- **Biography:** A detailed description of a person's life, including their experiences and achievements.
- **Book Review:** A critical analysis of a book, discussing its content, style, and impact.
- **Comic Strips:** Combines illustrations and dialogue to tell a story or present information humorously.
- **Letter Writing:** A form of communication between individuals, often personalized and formal.
- **Lists:** Organizes information in a simple, easy-to-follow format.
- **Instructions:** Provides step-by-step guidance for completing a task.
- **Argumentative:** Presents a balanced view of a topic, highlighting different perspectives.
- **Poetry:** Expresses ideas and emotions through rhythm, rhyme, and imagery.
- **Journal:** A personal record of thoughts, feelings, and experiences.
- **Report:** A structured presentation of information on a specific topic.
- **Diary:** Similar to a journal but usually more private and personal.

Why Text Forms Matter

Understanding text forms is crucial for several reasons:

- **Enhanced Reading Skills:** Recognizing the form helps in understanding the writer's purpose and the text's structure.
- **Improved Writing Ability:** Knowing various forms aids in choosing the most effective way to convey a message.
- **Academic and Professional Success:** Different contexts require different text forms, so understanding them is key for success in both school and work.
- **Better Communication:** Each form has its conventions; understanding them helps in clearer and more effective communication.

Activity: Power of Planning

Objective

What are we learning more about?

To learn the effectiveness of using planning as an idea development strategy by comparing writings based on a random thought process and those developed with the help of a mind map.

Instructions: How do we complete the activity?

Part 1: Writing Without Planning

Subject: The Best Day Ever

Instructions:

1. Students are given 8 minutes to write about their best day without using any planning or strategies.
2. Prompt students to write continuously, so their ideas flow for the entire 8 minutes.
3. Collect the writing pieces and set them aside for later.

Part 2: Writing With Brainstorming

Subject: If You Gain Superpowers For A Day

Instructions:

1. Give students 2 minutes to create a mind map about what they would do if they gained superpowers for a day. Encourage them to use words, symbols, or drawings. They can branch off main ideas with smaller details.
2. After creating the mind map, students are given another 6 minutes to now write about what they would do if they got superpowers for a day. They will use their mind map as a guide.

Personal Voice in Writing

Understanding Personal Voice in Writing

Personal voice in writing is like your unique fingerprint on your work. It's the special way you express your thoughts and feelings in words. When you read something written with a strong personal voice, it's as if the writer is speaking directly to you. Developing a personal voice means finding your own style and tone that makes your writing distinct.

Steps to Develop Your Personal Voice

Developing your personal voice isn't something that happens overnight. It's a journey of self-discovery and practice. Here are some steps to help you on your way:

- **Read Widely:** Read a variety of books and articles. Notice how each author has a unique way of putting words together. What do you like about their style? What don't you like?
- **Write Regularly:** Practice is key. Write often and in any form, even if it's just a journal entry or a short story. The more you write, the more you'll see patterns in your writing that reflect your personality.
- **Experiment with Different Styles:** Don't be afraid to try new things in your writing. Experiment with different tones, sentence structures, and word choices to see what feels right and what feels awkward.
- **Seek Feedback:** Sharing your writing with others and getting their opinions can be very helpful. Sometimes, others can see aspects of your writing that you may not notice.

Voice vs. Formal Writing Rules

Understanding the balance between your personal voice and formal writing rules is important. In school, you'll often have to follow specific writing rules and formats. This doesn't mean you have to lose your personal voice. Even in formal writing, your choice of words, the rhythm of your sentences, and the way you structure your ideas can all reflect your personal style.

True or False

Is the statement true or false?

1) Developing a personal voice happens instantly, not gradually.	True	False
2) Experimenting with different styles is beneficial for finding your voice.	True	False
3) Seeking feedback on your writing can help develop your personal voice.	True	False
4) You can't use your personal voice in school assignments.	True	False
5) Writing regularly does not impact your personal writing voice.	True	False

Practice one of the writing prompts below. Then write about that prompt using different voices/perspectives. Lastly, read them to a friend without telling them which voice you're using and see if they can guess.

Activity: Voice in Song

Objective

What are we learning more about?

To help students understand and recognize the voice in music, including the emotions conveyed, the perspective from which it is sung, and who the character of the song might be.

Instructions

How do we complete the activity?

- 1) Choose a Song: Pick a song you love. It can be from any genre or time period.
- 2) Listen Carefully: Listen to the song at least twice. The first time, just enjoy it. The second time, pay close attention to the lyrics and the way the singer expresses them.
- 3) Identify Emotions: On the back of the page, list the emotions you can pick up from the song. Is the singer happy, sad, angry, or nervous? Maybe you're feeling a mix of emotions? Jot down as many as you can identify.
- 4) Determine Perspective: Think about who is "speaking" in the song.
 - First Person: Is the song being sung from the singer's perspective? ("I love this...", "I feel...")
 - Second Person: Is the singer singing to someone directly? ("You are...", "You are...")
 - Third Person: Is the singer talking about someone else? ("She goes...", "He said...")
- 5) Describe the Character: Imagine the song as a short story and the singer is the main character.
 - Age: How old do you think they might be?
 - Interests: What hobbies or activities might they enjoy based on the song?
 - Beliefs & Values: What are some things that seem important to them?
 - Personality Traits: Are they adventurous, shy, rebellious, or maybe romantic?
- 6) Share & Discuss: Once everyone has completed their analysis, take turns sharing your findings with the class. Discuss similarities and differences in interpretations.

Activity: Voice in Song

Instructions

Answer the questions below.

1) What emotions are you hearing in the song? Is the artist upset, excited, angry, etc. Write the emotion and then explain how you know.

2) What perspective is the song written in? First, second, or third person.

3) Describe who you think wrote the song based on the lyrics. Fill in the table below.

Age	
Interests – Hobbies, Activities	
Beliefs/Values – What Is Important To Them?	
Personality – Adventurous, Shy, Rebellious, Etc.	

4) **Synthesize** the information you have come up with. Describe the author of the song's voice by putting everything you learned together in a paragraph.

Exploring the Structure of Paragraphs

Paragraphs: Building Blocks of Essays

A paragraph is a unit of writing that consists of one or more sentences focusing on a single idea or topic. Understanding the structure of paragraphs is essential for creating clear and effective writing.

Key Components of a Paragraph

Every paragraph contains three main parts:

- **Topic Sentence:** The first sentence that introduces the main idea of the paragraph. It should be clear and specific to guide the reader on what the paragraph will be about.
- **Supporting Details:** The sentences that follow the topic sentence. They provide evidence, examples, facts, or opinions that support the main idea. These could include facts and statistics, expert quotes, and personal experiences.
- **Concluding Sentence:** This sentence wraps up the paragraph by summarizing the main idea or making a final statement. It should not introduce new information but should clearly link back to the topic sentence, often reinforcing the main idea.

Crafting a Coherent Paragraph

For a paragraph to be effective, it must be coherent. This means that all the sentences should work together smoothly. Transitions such as 'for instance', 'in addition', 'however', and 'therefore' can help the reader understand how your ideas connect. The order of the supporting details is also important. They should be organized logically or in order of importance to build a strong argument or description.

Remember, a good paragraph is like a mini-essay itself. It has a clear beginning, middle, and end that communicate a single, focused idea. By mastering paragraph structure, you can create writing that is powerful and persuasive.

Topic Sentence

Read the paragraphs below and then write a topic sentence for each one.
Tip: the conclusion sentence will help guide you!

Topic Sentence

It allows us to live countless lives and experience diverse emotions without ever leaving our homes. By turning pages, we can embark on grand adventures or unravel mysteries. In conclusion, fiction enriches our minds and stirs our imaginations like nothing else can.

Topic Sentence

It provides the nutrients necessary for growth and learning. Choosing fruits, vegetables, and whole grains in your diet can boost brain function and energy levels. Ultimately, making smart food choices now is the foundation for lifelong health and well-being.

Topic Sentence

It offers interactive and personalized learning experiences that were once impossible. With digital tools, information is more accessible, and collaboration is easier. Therefore, technology is not just a tool for entertainment; it's an integral part of our educational journey.

Hooks

Rewrite the topic sentences below but make them interesting so they hook the reader.

Boring Version

Learning another language can be beneficial.

Your Version

Boring Version

People are making progress in space technology.

Your Version

Boring Version

Video games have changed a lot since they were first made.

Your Version

Writing Hooks – Improving Topic Sentences

Asking a Question: Begin with a question to make your readers curious.

Example: "What if you could talk to animals?"

Use an Exclamation: Start with something exciting to grab your reader's attention.

Example: "Watch out! Volcanoes are nature's explosive giants!"

Making a Bold Statement: By opening with a bold statement, you lay down a strong foundation for your readers.

Example: "Elephants are the largest land animals on Earth."

Adding an Interesting Fact: Tell an interesting fact to engage your readers.

Example: "A single tree provide a day's oxygen for up to four people."

Hooks

Rewrite the topic sentence below using the different strategies.

Original Version	The huge Internet can provide more information than the largest library.

Quality Topic Sentences

Think

Circle which topic sentence you think is best.

1) It controls thoughts, memories, and emotions, coordinating movements and bodily functions. Its network of neurons and synapses is vast, allowing us to process large amounts of information rapidly. Indeed, the brain's capabilities are what make each person unique.

a) The human brain is more complex than the most advanced computer.

b) The human brain is part of the body's nervous system.

c) People use their brains to think things.

2) Unlike fossil fuels, renewable energy produces power without harmful emissions, combatting climate change. As technology improves, renewable energy becomes more accessible, promising a cleaner future. Harnessing these power sources is vital for our planet's health.

a) Wind and solar are types of renewable energy.

b) Renewable energy sources like wind and solar are changing how we generate electricity.

c) Renewable energy is different from coal and oil.

3) From landing on the moon to rovers on Mars, each mission expands our knowledge of the universe. The pursuit of understanding space unites people across the globe in wonder and discovery. Space exploration represents humanity's boundless curiosity.

a) Space exploration allows us to reach beyond Earth's atmosphere and explore the cosmos' secrets.

b) Space is very big and has many planets and stars.

c) Astronauts go to space to learn new things.

4) The pyramids, especially, showcase the Egyptians' architectural genius and their beliefs in the afterlife. Archeological studies continue to unveil the intricacies of their society, reminding us of the ingenuity of ancient cultures. The legacy of Egypt lives on as a cornerstone of historical wonder.

a) Egypt is a country with a very long history.

b) Ancient Egyptians built pyramids that have lasted for thousands of years.

c) Ancient Egypt's civilization fascinates with its pyramids, hieroglyphics, and pharaohs.

Crafting Perfect Paragraphs

The Foundation of a Paragraph: Topic Sentence

A paragraph is like a journey, and the topic sentence is the starting point. This initial sentence sets the direction, informing the reader about what the paragraph will discuss. It should be clear and focused, establishing the central idea or theme.

Building the Body: Adding Supporting Sentences

After you have your topic sentence, it's time to build the body of your paragraph with supporting sentences. These sentences expand on your topic sentence, providing evidence, examples, or explanations. Here's how you can structure it:

Main Idea 1: Recycling Benefits Our Environment

- Recycling reduces the need for new resources.
- It helps save energy used in manufacturing new products.
- Proper recycling can decrease pollution levels.

Main Idea 2: Regular Reading Improves Language Skills

- Reading expands vocabulary and understanding of grammar.
- It enhances imagination and creative thinking.
- Consistent reading improves overall comprehension skills.

Wrapping Up: Crafting a Concluding Sentence

Your paragraph should end with a concluding sentence. This sentence wraps up your discussion, echoing the main idea presented in the topic sentence. It should summarize the key points without introducing new information. The concluding sentence serves as a bridge to the next paragraph or as a final statement if it's the end of your piece. Think of it as sealing the paragraph, leaving the reader with a clear understanding of your main point.

Ending With a Bang: Conclusion Sentences

Understanding Conclusion Sentences

In writing, the final statement of a paragraph is known as the conclusion sentence. This sentence plays a pivotal role in summarizing the key points and providing a clear end to the discussion. It should reinforce the main idea presented at the beginning and ensure the reader feels the topic has been adequately covered.

Elements of a Conclusion Sentence

To write an effective conclusion sentence, consider these critical components:

1. Revisiting the Main Idea:

Your conclusion should echo the paragraph's main idea, but with fresh wording.

2. Summarizing Key Points:

Quickly revisit the main points and supporting details you've discussed, which could look like this for a paragraph about the importance of teamwork:

- Teamwork encourages better communication.
- It allows for the sharing of ideas and abilities.
- Teamwork also helps to complete tasks more efficiently.

3. Leaving a Lasting Impression:

Aim to end with a sentence that reinforces your main idea, leaving the reader with something to remember. This could be a thought-provoking statement that connects back to the larger context of your essay.

Effective Conclusion Techniques

A conclusion sentence should not only summarize but also connect the paragraph to the reader's own experience or the wider world. Here are some techniques to achieve this:

- **Reference the Bigger Picture:** Relate the paragraph back to larger themes or relevant real-world scenarios.
- **Call to Action:** If appropriate, end with a call to action, encouraging the reader to apply the information or engage further with the topic.
- **Reflective Question:** Pose a reflective question that relates to the main idea, prompting the reader to think deeply about the subject.

A strong conclusion sentence serves as the keystone, locking the paragraph's structure together and leaving the reader with a complete, polished piece of writing. As you develop your writing skills, giving due attention to the conclusion will ensure your paragraphs stand solid and convey your ideas effectively.

Conclusion Sentences Checklist

- ☒ Revisit the main idea.
- ☒ Summarize key points.
- ☒ Leaving a lasting impression.

Essay Writing - Globalization

Introduction

Globalization, a process of interaction and integration among people, companies, and governments worldwide, has significantly reshaped our world. It affects various aspects of daily life, economy, and culture. In this essay, we will explore how globalization has simplified international trade, its influence on cultural exchanges, and its impact on the environment and labour markets.

Main Idea 1: Simplified International Trade

One of the most notable effects of globalization is the ease of international trade. By reducing trade barriers and tariffs, globalization has allowed goods and services to flow more freely across borders. This increased trade has led to economic growth in many countries, offering consumers a wider range of products at lower prices. Moreover, it has enabled businesses to operate globally, increasing competition and innovation. However, this also means local businesses often face stiff competition from international companies, which can affect local job markets.

Main Idea 2: Cultural Exchange and Homogenization

Globalization has greatly encouraged cultural exchange, allowing people to share and experience diverse traditions, languages, and arts. This exchange enriches societies, fostering greater understanding and appreciation of different cultures. However, globalization can also lead to cultural homogenization, where dominant cultures overshadow and diminish local cultures and traditions. This phenomenon can lead to a loss of cultural diversity, as global influences often overpower unique local customs and practices.

Main Idea 3: Environmental and Labour Market Impact

Globalization's impact on the environment and labour markets is significant. The increase in industrial activity and international trade has led to environmental challenges, including pollution and habitat destruction. Additionally, globalization has affected labour markets, often leading to the relocation of jobs to countries where labour is cheaper. While this can benefit developing countries by creating jobs, it often results in lower wages and poor working conditions. Balancing economic growth with environmental sustainability and fair labor practices remains a critical challenge in the era of globalization.

Conclusion

In conclusion, globalization is a complex and multifaceted phenomenon with both positive and negative impacts. While it has simplified international trade and encouraged cultural exchanges, it also poses challenges to cultural diversity, environmental sustainability, and fair labour practices. As the world becomes increasingly interconnected, it is crucial to address these challenges thoughtfully, ensuring that globalization benefits everyone.

Topic: Renewable Energy

Introduction

Renewable energy, often hailed as the future of global power, has become increasingly important in our battle against climate change. In this essay, we will explore the multifaceted role of renewable energy in shaping a sustainable future, see how it impacts climate change, its potential to replace fossil fuels, and the specific challenges and benefits associated with solar and wind energy.

Main Idea 1: Impact on Climate Change

Main Idea 2: Replacement of Fossil Fuels

Main Idea 3: Challenges and Benefits of Solar and Wind Energy

Solar and wind energy, two of the most prominent forms of renewable energy, have unique benefits and challenges. Solar energy is abundant and sustainable, offering a clean power source, especially in sunny regions. Wind energy harnesses natural wind patterns to produce electricity, contributing to energy diversification. However, both face challenges such as the need for large land areas, variability in energy production, and initial setup costs. Overcoming these obstacles is essential for maximizing their benefits.

Conclusion

In conclusion, renewable energy presents a promising path towards a sustainable and environmentally-friendly future. Its significant role in mitigating climate change, potential to replace fossil fuels, and the specific attributes of solar and wind energy illustrate its importance in our energy landscape. While challenges remain, the continued development and support of renewable energy technologies are pivotal in our journey towards a cleaner, more sustainable world. By making these changes, we'll leave a healthier planet for future generations.

Formal Versus Informal Letters

Understanding Formal Letters

Formal letters are essential in professional and official communications. They follow a specific structure and tone to convey messages in a respectful and clear manner. Often, they are used for applications, complaints, or official requests.

Key Components:

- **Sender's Address and Date:** Located at the top right corner.
- **Recipient's Address:** Placed on the left, below the sender's address.
- **Salutation:** Formal greeting like "Dear Sir/Madam" if the recipient's name is unknown.
- **Body:** This is where the main message is written. It's divided into paragraphs, each focusing on a specific point.
- **Closing:** Ends with a phrase like "Sincerely" followed by the sender's signature and name.

Formal letters avoid casual language, slang, and contractions (like "can't" or "won't"). They are straightforward, polite, and to the point, emphasizing clarity and professionalism.

Exploring Informal Letters

Informal letters, on the other hand, are personal and casual. They are typically sent to friends, family, or acquaintances and have a relaxed tone.

Characteristics:

- **Personal Tone:** Informal letters can use everyday language and slang.
- **Flexible Structure:** While it still has an address, date, salutation, and closing, the format is less rigid.
- **Expressive Content:** These letters often express personal feelings, updates, and stories. They can include jokes, idioms, and casual phrases.

Unlike formal letters, informal letters allow for a more creative and personal expression. They do not adhere strictly to rules of format and language, making them more free-flowing and expressive.

In summary, the main difference between formal and informal letters lies in their purpose and tone. Formal letters are structured and professional, used in official or business contexts, while informal letters are personal, relaxed, and used in casual communications. Understanding when to use each type is an important skill in both personal and professional life.

Intro to Narrative Writing

Essentials of Narrative Writing

Narrative writing is a type of creative writing that tells a story. This story can be real or imaginary, and it is usually told from a specific point of view. The main purpose of narrative writing is to entertain the reader by sharing experiences, adventures, or imagined worlds.

Parts of a Narrative

A narrative typically has three key parts:

1. **Beginning:** This part sets the scene and introduces the setting and characters. It sets the stage for the story. Here, the writer often presents a problem or situation that will capture the reader's attention.
2. **Middle:** This part of the story is where the main events happen. Characters face challenges or go on adventures. The middle builds suspense and develops the plot, leading the characters toward the end of the story.
3. **End:** The conclusion of the narrative where problems are resolved, and the story comes to a close. The ending should leave the reader with a sense of completion.

Tips for Effective Narrative Writing

Good narrative writing involves several key elements:

- **Clear Plot:** Make sure your story has a clear beginning, middle, and end. Organize your plot so that each part flows smoothly into the next.
- **Detailed Descriptions:** Use descriptive language to create vivid images in the reader's mind. Describe the setting, characters, and actions in detail.
- **Show, Don't Tell:** Instead of just telling the reader about the events, show them through actions, thoughts, and dialogues.
- **Character Development:** Create interesting and believable characters. Let your characters grow and change throughout the story.
- **Engaging Dialogue:** Use dialogue to reveal your characters' personalities and move the story forward.
- **Consistent Point of View:** Stick to one point of view throughout your story. This helps the reader stay connected and engaged.

Remember, the key to good narrative writing is to capture the reader's imagination and take them on a journey through your story.

True or False

Is the statement true or false?

1) Narrative writing is only used for telling real-life stories.	True	False
2) The beginning of a narrative introduces the setting and characters.	True	False
3) A good narrative does not need a clear beginning, middle, and end.	True	False
4) The middle of a narrative is where the main events occur.	True	False
5) Detailed descriptions are not important in narrative writing.	True	False

Question

Answer the questions below.

1) What is the main purpose of narrative writing?

2) **Idea generation:** Generate 2-3 story ideas you could write that are inspired by your interests. Consider how you might use these activities.

Example: Chelsea, an aspiring athlete, must win a competition.

Think

Write the beginning, middle, and end for the story idea below.

Narrative Writing - Setting

Describe

Imagine the story takes place in the picture. Describe the setting. Make up extra details you can't see using your 5 senses.

See	
Feel	
Hear	
Taste	
Smell	

Use your notes above to write a paragraph form.

Analyze

The setting below has been written about a picnic. Describe the scene using your 5 senses: what you see, feel, hear, taste, and smell.

Anna looks around at the cheerful picnic scene, her friends' laughter filling the air. She hears birds chirping in the distance, harmonizing with the rustle of leaves. The grass beneath her feels soft and cool, a gentle touch against her skin. She tastes the sweet juice of an apple, fresh and crisp. Fingers graze the rough texture of the picnic blanket, anchoring her in this moment of joy.

Narrative Writing - Characters

Creating characters in a story makes it more interesting. Here's how:

1. **Names and Looks:** First, give your character a name and describe how they look. Share things like hair colour, eye colour, and what they wear.
2. **Personality:** Think about their personality. Are they funny, shy, brave, or maybe a little clumsy? What do they like or not like?
3. **Special or Talents:** Make your character special. Give them something unique, like a special power, a hobby, or talking to animals.

Practice Describe two characters for a story you could write.

1) What is your character's name?

2) What does your character look like?

3) Describe your character's personality.

5) Draw your character.

4) What special trait or talent does your character have?

Special Trait or Talent	

Narrative Writing - Plot

Constructing the plot of your story is an essential step in developing an engaging narrative.

- **Start with an Idea:** Consider the core concept of your story. Will it be an action-packed adventure, a gripping mystery, or a tale filled with humour?
- **Build Characters:** Develop characters by determining their ambitions and the challenges they must overcome.
- **Plan the Beginning:** Set the stage by detailing the time and location of your story. Introduce your characters and outline their objectives.
- **Create a Conflict:** Illustrate how your characters encounter obstacles and forge new paths to strive to achieve their goals.
- **Develop the End:** Conclude your story by resolving the characters' quests. Ensure that the conclusion is seamlessly woven into the narrative you've created.

Practice

Read the story and write your plot below. Then fill in the organizer.

In the vibrant city park, Jenna discovered a tiny, lost kitten with big, sad eyes. She took it home, naming it Sparkles and giving it a warm bed. At school, Jenna couldn't stop worrying about Sparkles being lonely. She rushed back and found Sparkles missing! After searching everywhere, Jenna found her cuddled in an old shoe, safe and sound. The shoe was a remnant of Jenna's grandfather, a gentle soul who'd have loved Sparkles too. Jenna decided to adopt another rescue kitten to keep Sparkles company, honouring her grandfather's legacy of kindness. Together, they were a happy, purring duo.

Using Quotations in Narratives

Quotation Marks in Dialogue

Knowing how to use quotation marks in conversations is very important. These special marks help readers understand when a character is talking in a story. Let's go through eight important rules with examples for each.

- 1) Quotation Marks for Speaking:** When a character talks in a story, you need to put quotation marks (" ") around what they say. Quotation marks serve as a signal to readers, indicating that someone is speaking.
- 2) Commas:** When you introduce who is speaking, it's important to use a comma before or after the dialogue. Examples: Sarah said, "I'm going to the park." or "I'm going to the park," Sarah said.
- 3) Punctuation Goes Inside:** If a character's speech ends with a period, comma, question mark, or exclamation point, the punctuation marks go inside the quotation marks. So, if someone asks you, "How are you?" the question mark stays inside the quotation marks.
- 4) Quotation Marks Within Quotation Marks:** If a character repeats what someone else said, use single quotation marks (' ') for the inner quote and double quotation marks for the entire speech. For example: Mark told me, "When she said 'Never give up.'"
- 5) Multiple Paragraphs:** If a character's speech spans more than one paragraph, you should start each new paragraph with a quotation mark, but only use one closing quotation mark at the end of the last paragraph. For example:
"I had an adventure in the forest."
"It was so much fun."
- 6) Using Descriptive Tags:** Choose a tag that best describes how the person said what is in the quotation. For example, "Come for dinner!" Mom yelled.
- 7) Exclamation Points and Question Marks:** If the character's speech is a question, or if they exclaim something, the tag should start with a lowercase letter. For example: "Is it your birthday today?" she asked.
- 8) Exclamation Points and Question Marks:** If someone's speech ends with an exclamation mark or a question mark, you don't need to include a comma before the closing quotation mark. For instance: "Look out!" he shouted.

Analyzing a Short Story - Quotations

Coral Reef Wonders

Once upon a time, in a small coastal town, two friends, Mia and Leo, embarked on a snorkeling adventure to explore the vibrant world of a coral reef. Mia, bubbling with excitement, exclaimed, "Look at all the colours, Leo! It's like a living rainbow underwater!"

Leo, equally amazed, replied, "I've never seen anything like this! The coral is so diverse and full of life."

As they swam, they saw schools of fish weaving through the coral. "Did you know," Mia began, "that these reefs are home to thousands of marine species?" Nodding, Leo added, "They're so beautiful. They're crucial for the ocean's health."

Suddenly, a bright pink fish appeared. "It's eating the algae off the coral," Leo pointed out. Mia responded gratefully, "We must protect these reefs. They're a treasure for the entire planet."

Their snorkeling adventure left them with a deep appreciation for the delicate and vibrant ecosystems of coral reefs, a world teeming with life and color.

Questions

Answer the questions below.

1) Write 4 different speaker tags that were used in the story.

2) Write an example of when the speaker tag was before the quote.

3) Write an example of when the speaker tag was after the quote.

4) When you use an exclamation point in a quote, do you need a capital letter after?

Success Criteria – Narrative

Analyze Read the story below. Write things you like about the story. Afterwards, share your ideas with the class, so you and your classmates can come up with 7 criteria that make a good narrative.

Checkmate in the Park

In the heart of the bustling city, a group of students gathered around an old chessboard in the park.

"I bet I can win in ten moves," Jamal boasted confidently, setting up his pieces with a flourish. "You're on!" Maya replied, her eyes twinkling with challenge.

As the game progressed, onlookers began to gather. "She's got him on the run," a bystander whispered. Maya moved a knight across the board.

"No way, Jamal's setting a trap!" another boy yelled excitedly. "Checkmate," Maya announced with a smirk, her hand resting on the queen.

Jamal leaned in, scrutinized the board, and then admitted, "You've got me. Well played." "You underestimated the power of the queen," she teased him, giving him a friendly nudge.

As they reset the pieces, an old man who had been watching them smiled. "You kids give me hope for the future!"

Their laughter filled the air, mixing with the city sounds. For them, the park had become more than just a game; it was where friendships were forged and lessons learned beyond the classroom.

Activity: Being Persuasive

Objective

What are we learning more about?

Students will practice persuasive speaking by debating various prompts, developing their ability to form arguments and listen to others' perspectives.

Materials

What is needed to complete the activity?

- ☐ Prompt cards
- ☐ Timer or clock

Instructions

How do we complete the activity?

- 1) Pair Up the Students: Divide the students into pairs. If there's an odd number, you can have one group of three.
- 2) Introduce the Activity: Explain to the students that they will be debating different prompts from the list. One student will choose a side for the first prompt, and the other will choose for the next. They will alternate sides for each prompt.
- 3) Start with the First Prompt: Have the pairs look at the first prompt. One student will pick a side to argue for or against. The other student will argue the opposite side.
- 4) Think Time: Give the students 2 minutes to think about their arguments. They may jot down quick notes if they wish.
- 5) Debate Time: Let the students debate for 3 minutes. Encourage them to listen to each other's arguments respectfully.
- 6) Move to Next Prompt: After debating the first prompt, move to the next one, allowing the other student to choose a side first. Repeat the think and debate time.
- 7) Repeat Until All Prompts are Debated: Continue moving through the prompts, alternating sides, until all have been debated.
- 8) Classroom Debate (Optional): Ask for volunteers to debate in front of the class. They can choose one of the prompts they have already debated.

Prompts

Debate the prompts below.

- 1) Should schools require uniforms for all students?
- 2) Is technology more beneficial or harmful to students' learning?
- 3) Is it better to have year-round schooling with shorter breaks throughout the year?
- 4) Should students have a say in what they learn in school?
- 5) Is it important for schools to offer arts and music education?
- 6) Should junk food be banned from school cafeterias?
- 7) Are group projects more effective than individual assignments for learning?
- 8) Is it better to read printed books or digital books for school assignments?

Reflection Answer the questions below after you debate

1) What part of the debate was hard for you?

2) What did you do to try to persuade your partner?

3) Did you or your partner succeed in convincing the other person? Explain.

4) Why might some people have different opinions on certain topics? Is that okay?

Persuasive Writing - Opinions

Persuasive Writing - Research

Research in persuasive writing is crucial. It helps you gather evidence to support your arguments effectively.

For example, when persuading your friends that chocolate ice cream is the best flavour, research helps you find reasons like its taste and popularity. You can collect information from books, interviews, or personal taste tests.

This evidence strengthens your argument, making it more convincing. Without research, you rely solely on your words, but with it, you have solid proof, making your writing more powerful.

Understanding Bias in Persuasive Writing

Analyze

Read the opinions below and answer the questions.

Winter is, without question, the best season of the year. The crisp, cold air is invigorating, unlike the oppressive heat of summer. Snow transforms the world into a magical wonderland, something no other season can claim. Skiing, snowboarding, and building snowmen are joys unknown to the dreariness of other seasons. People often praise summer, but they forget the discomfort of sweating and the annoyance of bugs. Winter, with its cozy firesides and beautiful snowflakes, is clearly superior.

1) What is the author's opinion?

2) What reasons did they give? List 3.

3) Why is this a biased opinion? Write the other perspective – people who do not agree.

Cats are undoubtedly the superior pet choice for anyone who values independence and grace. They put dogs and other pets to shame. While dogs demand constant attention and walks, cats are self-sufficient and dignified. They embody elegance and grace in their way of life. Dogs may be loyal, but cats choose their humans, making their companionship far more meaningful. In the world of pets, cats are the clear rulers, with their sleek coats and mysterious allure.

3) Why is this a biased opinion? Write the other perspective – people who do not agree.

Version 1: Activity – Finding Bias in Writing

Tough Job

Imagine you are the principal of your school. You have received a letter today. Respond to the letter by pointing out the bias.

Dear Principal Spielberg,

I hope this letter finds you well. I am writing with a revolutionary idea that I firmly believe will transform our school into the most talked-about educational institute in the country. Imagine, for a moment, a school where every classroom is a giant trampoline! Yes, you heard that right, a trampoline in every room.

Bouncing whiteboards could not only make classes the most fun ever, but it would also keep us physically fit! About it: history lessons while somersaulting, solving math problems mid-jump, and learning literature while hopping around. It's a perfect combination of learning and fun.

Some might say this idea is impractical, but I believe it's a stroke of genius. Our school would become instantly famous, and students all over would wish they were part of our amazing bouncing classroom.

I eagerly await your enthusiastic approval of this fantastic proposal.

Yours sincerely,
Chris Mathews

Synthesizing – Letters to the Mayor

Synthesize

Pretend you are the mayor. You have received 3 different letters. Read each letter and synthesize the information, forming one opinion.

Dear Mayor Robinson,

I hope this message reaches you in good spirits. I'm Kyle, an eighth grader at Riverside Middle School, and I'd like to discuss the topic of public art in our community. In our social studies class, we learned about the importance of art in society. Public art makes our city vibrant and inspiring! Murals, sculptures, and installations could transform dull spaces into places of beauty and conversation. More art in public places means more creativity and community connection. I hope you'll consider making our town a canvas for local artists.

Warm wishes,
Kyle Patel

Dear Mayor Robinson,

Greetings! I'm Layla from Westview Secondary, and I've been thinking a lot about public art. While art is important, shouldn't we focus on more pressing issues? Problems like potholes and crumbling infrastructure seem more urgent. I understand that art can beautify our town, but many of my classmates agree that the budget might be better spent on practical improvements. I believe fixing what's broken is a form of community care that precedes public art. Maybe there's a middle ground to be struck?

Sincerely,
Layla Hernandez

Hello Mayor Thompson,

My name is Ethan, and as a student at Greenfield Middle School, I'd like to share my thoughts on public art in our city. Some say it's essential, while others prefer spending on infrastructure. I've noticed that empty walls and unused spaces could be perfect for art, but they could also be used for community bulletin boards or urban gardens. Art is powerful, but so is a community's practical needs. Could we find a way to combine both art and function?

Best regards,
Ethan Smith

Step-by-Step Treehouse Drawing

Instructional Writing

Follow these steps to draw a treehouse

Step 1: Outline the Tree Trunk and Branches: Sketch a textured tree trunk. Add thick branches extending upward to support the treehouse.

Step 2: Create the Treehouse Base: Draw a large, tilted rectangle on the branches for the treehouse floor, suggesting a wooden platform.

Step 3: Create the Walls and Roof: Draw vertical lines for walls on the base and a pointed roof with slanted lines.

Step 4: Add the Door and Windows: Place a rectangular door with a circle for a knob and square windows with cross-hairs on the walls.

Step 5: Design the Ladder or Stairs: Draw the treehouse, add a rope ladder or wooden stairs spiraling around the trunk.

Step 6: Draw Surrounding Foliage: Surround the tree with leaf clusters for a lush look, blending some with the tree's branches.

Step 7: Final Details and Shading: Add final touches like a flag, a branch-hung tire swing, or a window telescope. Shade for depth and texture.

Writing a How-To-Guide

Informational Reports: The Essentials

Abstract

This section offers a brief overview, summarizing the key elements of an informational report. It serves as a concise summary, giving readers a quick glimpse into the report's content, including its purpose, structure, and essential components.

Introduction

Here, the topic and purpose of the report are introduced. The introduction outlines the significance of the topic, the objectives of the report, and previews the **structure** and main points that will be explored in detail in the body of the report.

Body

The body contains the main information about the topic, organized into sections for clarity and ease of understanding.

Headings and Subheadings

Headings signal the start of a new section, introducing a major topic within the report. Subheadings further divide the topics into more specific subtopics, helping to organize the content in a logical and reader-friendly manner.

Lists

- **Numbered Lists:** Present sequential or ordered information, such as steps in a process.
- **Bulleted Lists:** Display related items without a specific order, useful for categorizing information.

Appendices

Appendices offer supplementary material that is relevant but not essential to the main discussion in the body of the report. This may include detailed data, charts, figures, or extended research findings.

Conclusion

The conclusion synthesizes the main findings and arguments from the report, providing a closing overview. It emphasizes the significance of the information presented and may suggest implications or recommendations based on the report's **analysis**.

Glossary

- **Analysis:** The detailed examination of the elements or structure of something.
- **Structure:** The arrangement or organization of items within a larger framework.

Writing a Report – Circulatory System

Objective

What are we learning more about?

We will be practicing writing a report using the proper formatting.

Instructions

How do we complete the activity?

- 1) Read the facts below.
- 2) Choose from 1 of 3 main headings: Functions the circulatory system (F), parts of the circulatory system (P), and diseases of the circulatory system (D).
- 3) On the new sheet, write the introduction for the report. Then you'll need 3 headings for the body of your report. You'll need an conclusion. You don't need to use all the facts for your report, so choose your facts carefully.

Facts

Organism: _____

Blood, composed of cells and plasma, transports nutrients and oxygen.	
Hypertension, or high blood pressure, strains the heart and damages arteries.	
The circulatory system delivers oxygen and nutrients to cells efficiently.	
Capillaries are tiny vessels where blood exchanges oxygen with tissues.	
This system plays a key role in regulating body temperature and pH.	
Hormones are distributed from glands to body parts via the circulatory system.	
Veins return depleted blood back to the heart for reoxygenation.	
It aids the immune system by transporting white blood cells to fight infections.	
Arteries carry oxygen-rich blood from the heart to the body.	
Coronary artery disease reduces blood flow to the heart, causing chest pain.	
It efficiently removes carbon dioxide and other wastes from the body's tissues.	
Stroke occurs when blood flow to a brain part is interrupted or reduced.	
The heart pumps blood, divided into four chambers for circulation.	
Heart failure is the heart's inability to pump blood effectively.	
Atherosclerosis involves plaque buildup in arteries, leading to heart attacks.	

Planning

How To Research Effectively

Understanding Effective Research Techniques

Research is a key skill that helps us discover new information, solve problems, and learn about topics in depth. When you research effectively, you gather reliable and relevant information that enhances your knowledge and understanding. Let's explore some important techniques to make your research more effective.

Firstly, identify your research topic or question. This gives you a clear goal and helps you stay focused. If you're researching "The impact of plastic on marine life," your goal is to find information specifically on this topic.

Finding Sources

A crucial part of research is finding sources that are credible and reliable. Here are some tips:

- Use academic databases: These databases provide access to scholarly articles and papers.
- Check the author's credentials: Ensure the author is knowledgeable about the subject.
- Look at publication dates: Check the date of the information to get current perspectives.
- Evaluate the source's purpose: Understand if the source aims to inform, persuade, or entertain.

Remember, not all information found, especially from the internet, is accurate or trustworthy. Always cross-check facts and data from multiple sources.

Organizing Your Findings

Once you gather information, organize it systematically. Create notes and summaries of what you've learned. This will help you understand the topic better and make it easier to refer back to the information later. Good organization also makes it easier to present your findings clearly, whether in a written report or a presentation.

How To Research: Online Treasure Hunt

Objective

What are we learning more about?

To enable students to learn how to use search engines and online resources to find answers to simple questions, fostering their research and digital literacy skills.

Materials

What is needed to complete the activity?

- ☐ Computer or tablet with internet access
- ☐ Pre-written questions (provided)
- ☐ Paper and pen

Instructions

How do we complete the activity?

- 1) Introduction: Explain to students that they are going on an online treasure hunt to find answers to exciting questions. They will need to record the source of the website they found the answer on. So, you will need to determine the name of the website.
- 2) Divide Students: Split the class into pairs or small groups and assign each group with access to a computer or tablet.
- 3) Distribute Questions: Hand out a list of pre-written questions to each group (on back page)
- 4) Research Time: Give students time to research and find the answers to the questions using online resources. Emphasize the importance of finding **trustworthy** sources.
- 5) Record Answers: Students should write down their answers on paper, along with the websites where they found the information.
- 6) Review and Discuss: Once the activity is complete, review the answers with the class and discuss the sources they used.

Did you know that honey bees are highly important for our environment? Their contribution is essential and pivotal in the intricate process of food production, a process upon which the sustenance of the human population and various ecosystems heavily rely. In this extensive essay, we aim to thoroughly examine and discuss in great detail the myriad aspects of honeybee behavior. This includes their social structure within hives, their role in the larger context of the ecosystem, the intricate nature of their interaction with both their immediate environment and the broader natural world. Additionally, we will delve into the multifaceted challenges that honeybees currently face, ranging from environmental threats to man-made issues, and how these challenges impact their population and, by extension, the broader ecological balance.

What are we learning more about?

We are learning how to find and select visuals that will help readers understand the information in our reports.

Materials

What is needed to complete the activity?

- ☐ Computer
- ☐ PowerPoint or Google Slides
- ☐ Prompts for the topic

Instructions

How do we complete the activity?

- 1) Choose a Topic: Select one of the topics provided in the separate section of this activity. Make sure to understand the topic before you begin.
- 2) Research Visuals: Using safe search methods and the internet, find visuals that are relevant to the chosen topic. Look for charts, diagrams, or pictures that help explain or illustrate the subject.
- 3) Create a Slide Presentation: Open PowerPoint or Google Slides and create a new presentation.
- 4) Write the Prompt: On the first slide, write the topic you have chosen as the prompt.
- 5) Add the Visual: On the same slide, insert the visual (chart, diagram, picture) that you found to supplement the topic. Make sure it is clear, and appropriately sized to fit the slide.
- 6) Include a Description: Beneath the visual, explain how the visual relates to the topic. Share what the visual shows and why it is important.

What is a Problem-Solution Report?

The Essence of Problem-Solution Reports

A problem-solution report is a structured approach to identifying and addressing issues. It is a valuable document that details an existing problem and provides clear, actionable solutions for it.

Breaking Down the Problem

The first step in a problem-solution report is to break down the problem. This involves:

- The nature of the problem
- Why it occurred
- The causes and effects
- Any previous attempts to address the issue

Developing Solutions

After the problem has been thoroughly analyzed, the next step is to develop solutions. Each solution should include:

- A detailed description of the proposed action
- Resources required for implementation
- Potential obstacles and how they could be overcome
- A plan for how the solution will be implemented

Evaluating Solutions

It's important to assess the solutions based on several factors:

- Effectiveness in solving the problem
- Cost and resources required
- Time needed to implement
- Potential impact on those affected

Ensuring Success

The final component of a problem-solution report involves setting criteria for success. This should explain how success will be measured, including:

- Short-term and long-term indicators of improvement
- Methods for collecting data and feedback
- Adjustments and follow-up actions for ongoing evaluation

By incorporating these elements, the report provides a comprehensive guide for tackling the identified problem with well-thought-out solutions.

Community Clean-Up: Brainstorm ways to encourage people in your neighborhood to participate in regular community clean-up days to keep parks and streets tidy.

Local Library Usage: Come up with ideas to increase the number of people visiting and using the local library's resources.

Energy Conservation: Develop ideas for a campaign to help families reduce energy usage in their homes, aiming to save money and protect the environment.

Problem/Solution Report – Success Criteria

Understanding Air Pollution

Air pollution is a serious environmental issue that affects both our health and our planet. It occurs when harmful substances, including gases, dust, and chemicals, are released into the air, making it unsafe and unhealthy to breathe. These pollutants can come from various sources, such as cars, factories, and even natural events like wildfires.

Solution 1: Switch to Renewable Energy Sources

One effective solution to reduce air pollution is to switch from fossil fuels (coal and oil) to renewable energy sources.

Renewable energy comes from natural sources that are constantly replenished, such as solar power, wind power, and hydroelectric energy. Switching to these sources means fewer harmful emissions are released into the air, leading to cleaner and healthier air quality. This switch can be achieved by installing solar panels on homes, encouraging the use of wind turbines, and promoting hydroelectric power plants.

The challenges with switching to renewable energy include the cost, amount of space required, and lack of consistent availability. These systems will cost a lot to setup and in the case of solar and wind, they take up a lot of space. In addition, the Sun doesn't always shine, and the wind doesn't always blow.

Solution 2: Planting More Trees

Pros:

- Trees absorb carbon dioxide, a major air pollutant, and release oxygen.
- Increasing green spaces can improve overall air quality.
- Trees also provide shade, reduce heat in urban areas, and support biodiversity.

Cons:

- Requires space and suitable climate conditions for growth.
- Needs regular maintenance and care.
- Might not be feasible in highly urbanized areas with limited space.

Evaluating The Solutions

Before implementing these solutions, we should test the CO₂ levels in the air. After implementation, we can check CO₂ levels monthly and compare the results to determine how effective our solutions have been on solving the problem.

Conclusion

In conclusion, tackling air pollution is crucial for our health and the health of our planet. By switching to renewable energy sources and planting more trees, we can make significant strides towards cleaner air. It's important for everyone to work together and take action to ensure a healthier environment for generations.

Questions

What is a Haiku?

What is a Haiku?

A haiku is a short poem that originated in Japan. It's known for its simplicity and ability to capture a moment or image in just a few words. A traditional haiku has three lines. The first line has five syllables, the second line has seven syllables, and the third line goes back to five syllables. This structure creates a rhythm that is unique to haikus. These poems often focus on nature, the seasons, or moments of beauty or insight.

How to Write a Rhyming Poem

Basics of Rhyming Poetry

Rhyming poetry is a form of writing where words at the end of lines have similar sounds. This type of poem is enjoyable to read and write because the rhymes create a musical rhythm. Using rhymes shows the reader how creative the author is as they have the ability to not only tell a story or share feelings, but also do it with rhyming words.

Steps to Write a Rhyming Poem

1. Choose a Rhyme Scheme:

- AABB: Lines 1 and 2 rhyme together, and lines 3 and 4 rhyme together.
- ABAB: Lines 1 and 3 rhyme together, and lines 2 and 4 rhyme.
- ABCB: Only lines 2 and 4 rhyme.

2. Select Words to Rhyme: Think of words that fit your theme and list their rhyming pairs. For example, if your theme is 'stars', you might list stars, cars, etc.

3. Plan Your Lines: Start writing your lines, keeping in mind your chosen rhythm. Try to make each line similar in length for a consistent flow.

4. Revise for Meaning and Flow: Once you've written your poem, read it aloud. This will help you hear if the rhythm flows smoothly and if the meaning is clear.

Tips for Writing Rhyming Poems

- Keep the language simple and clear.
- Focus on the rhythm as much as the rhyme.
- Don't force a rhyme; it's okay to change words to make a better rhyme.
- Use a thesaurus or rhyming dictionary for more word ideas.
- Practice makes perfect, so keep writing different types of rhymes.

What is a Limerick Poem?

What is a Limerick Poem?

A limerick is a type of poem known for its humour and playful rhythm. Originating in Ireland, these poems have become popular worldwide for their quirky and often nonsensical nature. They are short and easy to remember, making them a favourite among all ages, especially for those who enjoy a good laugh through words.

Limerick Structure

- **Lines:** Limericks consist of five lines in total.
- **Rhyme:** The rhyme pattern follows AABBA. This means the first, second, and fifth lines rhyme with each other, and the third and fourth lines have their own rhyme.
- **Beat:** Limericks follow a specific rhythm or meter. The first, second, and fifth lines typically have ten or eleven syllables, while the third and fourth lines are shorter, with five or six syllables.
- **Content:** Limericks are humorous, witty, or nonsensical.
- **Tone:** Lighthearted and playful, intended for laughter or amusement.

Examples of Limericks

The Dancing Cat of Spain

There once was a cat from Spain,
Who loved to dance in the rain.
With a purr and a twirl,
She'd leap and swirl,
In her world without any pain.

Comedian Frog

Frog was a very loud croak,
He'd joke and laugh with bank folk.
He'd hop and skip with a rabbit and a hen,
And everyone laughed when he'd begin.

The Adventure of Storytelling Structure

Crafting a Story: From First Page to Last

A good story has a clear structure that helps it flow and keep the reader engaged. The path of a story is made up of three main parts: the beginning, the middle, and the end.

- The Beginning: The beginning introduces the characters, setting, and the main problem or situation. It sets the stage for the story.
- The Middle: In the middle, the story develops through a series of events and challenges. Characters face obstacles and make important decisions.
- The End: The end resolves the story. It's where the main problem is solved, and we see how the characters have changed or what they've learned.

Write _____ of _____ stories below and draw a comic strip for it.

Beginning	Middle	End
Enters local bike race	Runs behind	Sprints to victory
Plans a surprise party	Forgets to	Successful surprise party
Kitten appears at door	Struggles to	Finds kitten a home
Auditions for school play	Forgets lines during rehearsal	Successful performance on stage
Builds a treehouse	Argues over club rules	Friends playing in treehouse

Writing Comic Strips – Cake Time

Instructions

Use the dialogue below to write a 3-panel comic strip. Read the story so you know how to draw the setting/characters. Then write their dialogue.

Panel 1:

Setting: Kitchen at home. Emma stands in front of an oven, holding a recipe book.

Dialogue: Emma says, "Hmm, how long to bake?"

Onomatopoeia: "Tick tock" from the kitchen clock.

Panel 2:

Setting: Emma reaches for the recipe book and oven timer. Emma's hand reaches for the oven knob.

Dialogue: Emma exclaims, "Oh, 20 minutes it is!"

Onomatopoeia: "Ding!" as she sets the oven timer.

Panel 3:

Setting: Emma proudly takes a perfectly baked cake from the oven.

Dialogue: Emma says, "See, I did it!"

Onomatopoeia: "Ding!" as the timer goes off.

Avoiding Plagiarism:

1. Paraphrasing: After reading something, write it in your own words. It should be about the same length as the original.
2. Summarizing: Write down only the main points in a shorter way.
3. Quoting: If you use someone's exact words, put them in "quotation marks" and mention where you found them.

Practice: Paraphrase, summarize, and quote the passages below.

Original Passage: Our solar system consists of the Sun, eight planets, and their moons, along with comets, asteroids, and other celestial bodies. It's part of the Milky Way galaxy. The planets orbit the Sun, which is a star that provides light and heat to Earth."

Paraphrasing	The solar system made up of eight planets and their moons, as well as comets, asteroids, and other celestial objects. It belongs to the Milky Way galaxy. These planets revolve around the Sun, a star that offers light and warmth to our planet.

Researching Activity – Note Taking

Instruction

While your teacher reads the biography below, copy down notes on the next page. When you write notes, use point form, not full sentences and do not worry about spelling.

Introduction

Tecumseh, a renowned leader of the Shawnee people, stands out in history as a symbol of Indigenous resistance and unity against U.S. expansion. Born in March 1768 in the Ohio Valley, he rose to prominence as a fearless warrior and a persuasive orator, opposing the westward expansion into Indigenous territories.

**Early Life**

Tecumseh, whose name translates to "Shining Star" or "Panther Across The Sky," was born into the Shawnee First Nation during a period of great upheaval and conflict. His father, Puckeshinwa, a respected warrior, led a battle against white settlers when Tecumseh was just a child. This early experience instilled in him a deep commitment to defending his people and their ancestral lands.

Formation of a Confederacy

Tecumseh grew up during a period of constant displacement and warfare for his nation. As a young warrior, he envisioned a united Indigenous front to effectively resist the encroachment of European settlers on their land. His extensive travels across the Midwest and the South helped him forge alliances with various groups, and his compelling speeches and charismatic leadership drew many to join his confederacy.

Struggle Against American Expansion

Tecumseh opposed the Treaty of Fort Wayne in 1809, where Indigenous lands were ceded to the U.S. government. He argued that no single nation had the right to sell land, which was a common resource. He rallied First Nations to resist, leading to increased tensions.

The War of 1812

With the outbreak of the War of 1812, Tecumseh allied with the British against the United States. He played a crucial role in several battles, including the Siege of Detroit. His leadership and strategy significantly aided the British war effort.

Death and Legacy

Tecumseh was killed in the Battle of the Thames on October 5, 1813. His death marked the end of Indigenous resistance in the Ohio Valley. However, his vision, bravery, and quest for justice left an enduring legacy, symbolizing the struggle for Indigenous rights and sovereignty.

Researching Skills - Bibliography

Exploring Bibliographies

A **bibliography** is a detailed list of references used in preparing written work – in essence, it's a list of all the sources from which you have borrowed words or ideas. When you are working on a project or an essay, it is crucial to acknowledge the sources of the information that you use to support your arguments. This not only gives proper credit to the authors but also enables others to find the information that you found.

Steps to Writing a Bibliography in MLA Format

When you finish writing an essay or a project, you'll need a bibliography to list the sources where you found your information. In the MLA (Modern Language Association) format, here's how to create a sample bibliography:

- 1) Collect Information: Write down important details from each source, such as the author's name, the work's title, publisher, and publication date.
- 2) Choose MLA Format: This format is used for literature and arts papers. Your teacher will tell you if MLA is the correct format to use.
- 3) Organize Sources Alphabetically: Sort the entries by the author's last name. If a source doesn't have an author, alphabetize by title.
- 4) Write the Entries: For MLA, list the author's last name, first name, title of the work, the publisher, and the date.
- 5) Cite Websites Carefully: For online sources, include the author's name, title, the website title, the date of publication, and the URL.

Sample MLA Bibliography Entries:

- "Climate Change Effects." National Geographic. 2022, www.nationalgeographic.com/climatechange.
- Rowling, J.K. Harry Potter and the Philosopher's Stone. Bloomsbury, 1997.
- "Understanding Photosynthesis." Science for Kids, 2023, www.scienceforkids.org/photosynthesis.

Finalizing Your Bibliography:

- Double-check each entry for proper punctuation, capitalization, and italicization.
- Verify that all URLs are accurate and do not include hyperlinks.
- Ensure your list is in alphabetical order and follows the MLA formatting rules.

Activity Title: Partner Biography Research

Objective

What are we learning more about?

In this activity, you and your partner will work together to research facts about a famous person of your choice. You will focus on collecting information for a future biography and practice organizing your research and keeping track of your sources for a bibliography.

Instructions: How do we complete the activity?

- 1) Choose a Famous Person: With your partner, choose a famous person that you both find interesting. It could be a historical figure, a scientist, an artist, or anyone else you'd like to learn more about.
- 2) Divide the Research: Divide the research tasks between you and your partner. You will need to find information in the following categories:
 - Early Life: 1 fact
 - Achievements: 3 facts
 - Later Life and Legacy: 1 fact
 - Quote: 1 quote from the person
 - Picture: 1 picture of the person
- 3) Use Different Sources: Look for information in books, websites, encyclopedias, or other resources available in the classroom or library.
- 4) Keep Track of Sources: As you find each fact, quote, or picture, write down where you found it. Include the author's name (if available), title of the book or webpage, publisher, and date. If it's a website, include the URL and date of access.
- 5) Organize Your Research: On a piece of paper, organize your research into the categories mentioned above. Write the facts in complete sentences.
- 6) Create a Bibliography: With your partner, write down the sources you used in a separate section, without organizing them into the bibliography format. Your teacher will help you learn how to format them later.
- 7) Share Your Research: Present your organized research and bibliography to the class, explaining why you chose the person and what you found most interesting about their life.

Biography – Sir John A. Macdonald

Preface

Sir John A. Macdonald's pivotal role in the formation of the Dominion of Canada and his enduring legacy as the country's first Prime Minister make him a central figure in Canadian history.

Introduction

Sir John A. Macdonald, a statesman and visionary leader, is celebrated in Canada as a founding father of the nation. Born on January 10, 1815, in Glasgow, Scotland, he later immigrated to Canada, where his leadership and determination shaped the course of the country.

Early Life

Macdonald's family moved to Montreal, Quebec, when he was just a boy. His early exposure to the complexities of colonial life and his career laid the foundation for his future political success.

Achievements

Defining Moment: The Confederation of 1867

Sir John A. Macdonald's most significant achievement was his unwavering dedication to the idea of confederation. He played a pivotal role in uniting the provinces of Canada, forming the Dominion of Canada on July 1, 1867. His leadership as the first Prime Minister set the stage for the growth and prosperity of the new nation.

Key Facts

- Date of Confederation: July 1, 1867
- First Prime Minister of Canada
- Leader of the Conservative Party

Legacy

Sir John A. Macdonald's legacy as a visionary leader and the architect of Canada's confederation endures today. His contributions to the nation's development, including the construction of the Canadian Pacific Railway and his dedication to unity, continue to shape the identity of Canada.

Assignment – Biography

Plan

Choose someone famous and learn more about them and their life. On the next page, write down the information you'll need to write your bibliography

1) Who will be the subject of your biography?

2) Tell me facts about their early life.– when they were born, where they were born, what their interests were, who their family was, did they live in poverty, etc.

3) Share 3-5 facts about their achievements and why they are famous. What are they known for? What did they achieve? Why are they remembered?

PREVIEW

4) Describe their later life and what they'll be remembered for. When did they pass away or are they still alive? Where did they live?

5) Provide 1-2 sentences that reflect their personality.

6) Now that you know more about the person you are writing about, write a preface that explains why you chose them. Explain why they are important and what your audience will learn if they read the biography.
